

PRODUCT INFORMATION

LIQUID WRENCH®
SUPER PENETRANT
(LIQUID)

CODE: L104,16

PAGE: 1 of 1

DATE: 1/23/2008

FUNCTION AND APPLICATION: A point-of-use penetrant for use by mechanics and do-it-yourselfers for disassembly of corroded pipe joints, rusted bolts and machinery, painted or gummed up metal mechanisms. Also used to clean typewriters, guns, and sports equipment.

OUTSTANDING PROPERTIES: A versatile, multi-use penetrant.

USE DIRECTIONS: Spray or squirt product on frozen joint or part. Tap the joint to set up vibrations. If part is stubborn, repeat application and allow to soak into joint for a few minutes.

PRODUCT LIMITATIONS: Does not furnish long-term lubrication or oil film protection.

PRECAUTIONS: Contains (CAS#) Natural Methyl Ester (67762-38-3), Refined Soybean Oil (8001-22-7), Naphthenic Petroleum Oil (64742-52-5/64742-53-6), and 2 Butoxy-1-ethanol (111-76-2). Harmful or Fatal if Swallowed. Eye and Skin Irritant. **FIRST AID:** If swallowed DO NOT INDUCE VOMITING. Call Poison Control Center, Physician, or Hospital Emergency Room immediately. For eye contact, flush with water for at least 15 minutes while lifting eyelids and get prompt medical attention. For skin contact, wash thoroughly with soap and water. If irritation

persist, get prompt medical attention. If inhaled, move to fresh air. If breathing becomes difficult, get prompt medical attention.

STORAGE & HANDLING: Store in a dry, well-ventilated area below 120°F/49°C. away from ignition sources and oxidizers. **CAUTION:** **FIRE:** Use only in a well ventilated area away from heat, sparks and flame. Pilot lights of furnaces or hot water tanks can ignite vapors. Do not use in confined spaces, enclosed garages, basements or low-lying areas where vapors can collect. **CONTACT:** Avoid contact with eyes, skin or clothing. Remove contaminated clothing and wash before reuse. Remove contact lenses before use. For long term exposure, wear chemical goggles and solvent-proof gloves and apron. **BREATHING:** Do not breathe mist. Use only in well-ventilated area. Open doors and windows to prevent build up. See M. S. D. S. for more information.

DISPOSAL: Dispose of container, residue and excess product in accordance with all federal, state and local laws and regulations. Emptied containers contain product residue, so follow all warnings even after container is emptied.

CONTAINER DESCRIPTION: 4-, 16-ounce liquid containers.
