

Liquid WRENCH®

RETAIL DISPLAY

LIQUID WRENCH® retail point-of-purchase display enables a retailer to stock and display 72 cans (six cases) of six different SKUs of LIQUID WRENCH® brand lubricants, penetrating oil, and grease. This display will command great attention and quickly signal the importance of this line of lubricating tools.

An attached educational banner shows and guides shoppers to choose the right lubricating tool for the job at hand. The banner is a product identifier with a photo and description of specific lubricating properties and specific uses.

This display is 24" wide, 72" high and 17" deep and made of strong, durable plastic to withstand several seasons of merchandising and promotion. This display can be assembled in less than 20 minutes with no special tools. Many components simply snap into each other. Display #LWBB.

This display may be earned through a special stocking order - Contact your sales representative for more details.
