Liquid Wrench has redesigned its product line with a nationwide marketing campaign that lets you check a seasonally updated list of uses by texting a code, even while you're standing in the store. The reinvigorated Liquid Wrench line includes newly reformulated penetrating oil and a new, anti-sling chain lube, as well as all your favorite Liquid Wrench products. Prices vary. **Radiator Specialty Company, 877/GO-4-GUNK, www.Gunk.com.**
